

KPLS Radio, 1510 AM, Denver

June 12, 2020

Dear Fellow Adventist Sisters and Brothers,

Here's refreshing good news at this time of national crisis! We are pleased to announce that Denver's new "Adventist" radio station went on the air May 22, 2020.

KPLS, "Positive LifeStyle" Radio... "K-Plus or K+" for short... is now broadcasting 24 hours a day on 1510 AM in Denver. We invite you and your congregation to tune in, listen and be blessed. Tell everyone about it as a way of witnessing to friends, family and strangers. Mostly in English, but with Spanish programs each afternoon between 2 and 4pm.

The powerful 10 kw signal by day, 25 kw by night transmitter covers the Front Range with a directional north/south beam along I-25 from Colorado Springs to Cheyenne. At night the signal is clearly heard north into Montana, the Dakotas and Central Canada, and south into New Mexico and Arizona.

It's a radio station operated by faithful Seventh-day Adventist laymen, clearly teaching the Three Angels Messages, but is targeted to non-Adventists and non-believers. The music is middle of the road Christian.

Hear inspiring Adventist produced programs such as:

It Is Written on Sabbath at 7am and 5pm

Voice of Prophecy Disclosure on Sunday at 8am

Amazing Facts "Bible Answers Live" at 10 am and 8pm

Your Story Hour at 4pm every day

"ER in the morning" with Dr. Esther and Ron Myers live Mon-Fri 6-9am

...and much, much more.

We'd love to collaborate with your church. **KPLS** seeks to broadcast the personal testimonies of your members, and announcements which promote your local church's events and outreach activities. We're here exclusively for a four-fold purpose... to bring glory to God, to serve His church, to win souls to the kingdom, and help finish the gospel commission in Colorado.
